## PROFESSIONAL SUMMARY

Dedicated and patient with strong communication, problem solving and interpersonal skills. Experienced in explaining technical concepts clearly, working with people from diverse backgrounds, and providing structured support to help others achieve their goals. Possesses a string academic foundation in computer science, programming, mathematics-related problem solving, and digital technology, with a positive goal-oriented approach to learning. Reliable, organized and committed to creating a supportive learning environment that encourages understanding, confidence, and academic growth.

## WORK HISTORY

**Full Stack Web Developer Intern** | Elonatech Nigeria Limited
*January 2024 – September 2024 · Lagos, Nigeria*

- Debugged frontend/backend issues and supported a clean, structured codebase
- Implemented secure data handling with encryption protocols
- Built reusable components and interactive interfaces using React and Tailwind CSS
- Supported development and maintenance of dynamic websites

**Digital & Email Marketing Intern** | Elonatech Nigeria Limited
*February 2024 – September 2024 · Lagos, Nigeria*

- Helped with budget planning and cost-effective resource management
- Performed SEO tasks and crafted copy to boost search rankings and brand identity
- Managed social media accounts and supported promotional events

## EDUCATION

**BSc – Computer Science**
Trinity University · Yaba, Lagos
*08/2022 – Finished (First Class Result -Certificate Pending)*

## CERTIFICATIONS

- HTML and CSS In-depth (2025) – Meta (Cousera)
- Introduction to Cybersecurity (2025) – Cisco Networking Academy

- Understanding Data Engineering (2025) – DataCamp
- Introduction to AI Agents (2025) - DataCamp
- Introduction to Data Literacy (2025) - DataCamp

## PROJECTS

**Responsive Portfolio Website:** Designed and developed a personal portfolio website using HTML and CSS and a variation with Bloc.js and Tailored CSS. Utilized responsive design principles to ensure the site works well on various devices. Included sections for projects, skills, and contact information.

**Interactive Web Form:** Created an interactive web form for user registration using HTML and CSS. Ensured form validation and user-friendly design.

**Company Website**

Collaborated with the Elonatech team to design the frontend of clients using Next.js and Tailwind CSS

## VOLUNTEER EXPERIENCE

**Cowrywise Ambassador** *(Current Community Engagement Manager)*

*JULY, 2023 – Present*

• Promoted financial literacy and the use of Cowrywise's financial products on campus.

• I recruited and onboarded new students into the Cowrywise Campus Ambassador program, expanding our outreach and engagement.

**AIAI Lagos Community** *(Current Assistant Community Manager)*

*November 2025 – Present*

- Support the Community Manager in coordinating community activities, initiatives, and member engagement.
- Assist in planning and organizing community events, sessions and learning focused activities.
- Contribute to the growth and development of the community through teamwork leadership, and effective coordination.

**Career Compass** *(Volunteer)*

*April 2026 – Present*

- Supported career-focused initiatives aimed at helping students and young professionals make informed academic and career decisions.

- Collaborated with other volunteers and team members to support programs and initiatives.
